Mandaluyong Host Exchange

As-Building Works of Office Warehouse & Telecommunication Facilities

Client

Globe Telecom

Project

Mandaluyong Host Exchange As-Building Works

Location

Sheridan St., Mandaluyong City, Philippines

Project Period

Start September 17, 2002
End October 17, 2002

Project Description

The Globe Mandaluyong Host Exchange is an office warehouse and telecommunication facilities compound with lot area of 5,947 sq.m. Various expansions that were completed on the said compound necessitated an update of their as-built plans on hand that comprises the following facilities:

1. Main Building – Switching room
2. Warehouse 1, 2 & 3
3. C.O.S.G. Office
4. Canteen
5. Administration/Facilities Office
6. Generator and Transformer Room
7. Radio Room 1 and 2
8. FNG Central Office Operations
9. Antenna Tower

Scope of Services

Trans-Asia was tasked to perform the as-building works for the Architectural, Structural, Electrical, Mechanical, Fire Protection, Plumbing/Sanitary and Telecommunications.
