

PNM Industrial Plant at FCIE

Detailed Engineering Design of an Industrial Plant

Client

Hitachi Architects and Engineers
Co., Ltd.

Project

PNM Industrial Plant at FCIE

Location

Cavite
Philippines

Project Period

Start October 1995
End July 1996

Project Description

The project is a manufacturing plant for the Philippine Nihon Muki (PNM) client. It is located at the First Cavite Industrial Estate, having an approximate floor area of 4,500 square meters. In the building housed a two level office, with an approximate floor space of 1,300 square meters; a one level, two (2)-storey high manufacturing area of about 3,200 square meters. The structure is made up of reinforced concrete columns & beams and steel framed G.I. roof.

Scope of Service

Hitachi Architects & Engineers Co. Ltd. have contracted Trans-Asia to provide Detailed Engineering Design including Engineering Support During Construction (ESDC).
