Mandaluyong Host Exchange

**Location**

Sheridan St., Mandaluyong City,  
Philippines

**Project Period**

Start September 17, 2002  
End October 17, 2002

**Project Description**

The Globe Telecom's Mandaluyong Host Exchange is an office warehouse and telecommunication facilities compound with a lot area of about 5,947 sq.m. Various expansions that were completed on the said compound necessitated an update of their as-built plans on hand that comprises the following facilities:

1. Main Building – Switching room
2. Warehouse 1, 2 & 3
3. C.O.S.G. Office
4. Canteen
5. Administration/Facilities Office
6. Generator and Transformer Room
7. Radio Room 1 and 2
8. FNG Central Office Operations
9. Antenna Tower

**Scope of Services**

Trans-Asia performed the as-building works for the Architectural, Structural, Electrical, Mechanical, Fire Protection, Plumbing/Sanitary and Telecommunications.
